

College Application and Scholarship Mentoring

Scope and Cost

\$400

We will:

- 1) Help student develop a high school resume (including editing and finalizing), which will serve as a reference for all applications and scholarships (additionally, some schools will ask for one)
- 2) Mentor student (and parents) through college selection process (how to choose a college) and develop list of 3-5 colleges to which student will apply
- 3) Oversee student as he fills out college application(s) and help homeschooling parent develop “school statement”
- 4) Advise student through the college essay process—from idea formation, through rough draft, and finalization
- 5) Coach student on interview techniques and help prepare calendar of next steps for scholarships
- 6) Write a letter of recommendation for student or assist another teacher or employer in writing a letter of recommendation

Time involved

1. Will meet student 3-4 times in person for approximately an hour each.
2. Will meet with parent alone or student and parent together at least one time in person
3. Student and parent are free to email or call/text with questions, and I will be available to edit essays/documents
